

Meet Our Staff!

From left to right:

Cindi Rosenberger, Workroom Manager (and first QFK employee); **Sally Weber**, Director of Chapter Services; **Linda Arye**, Founding President; **Pamela Fox**, Communications Director; **Kristin Chiccarine**, Database Manager and Workroom Assistant; **Nancy Lacey**, Director of Operations.

Of course, despite particular areas of expertise, everyone pitches in wherever needed...unpacking boxes, sewing on labels, answering phones, and making kits. Quilters one and all, we're passionate about fabric and new patterns, and especially look forward to receiving all the wonderful quilts from our volunteers who help us turn tears into smiles for seriously ill children all over the country.
